

Wellington Public School

Where every child is known, valued and cared for.

Wednesday 1st May 2024

FROM THE PRINCIPAL'S DESK

It has been wonderful to return from the holidays and see all our students ready for learning!

We have also welcomed back six or seven students this week plus several new students.

Thank you to all families and staff for your support of our school which resulted in us averaging 89% per week for attendance last Term. This is our best result ever and has encouraged us to set a 90% target for this Term.

Winter is always a challenge so please encourage your children to get to school every day.

As I mentioned last Term the classroom work, behaviour and general feel of the school is at an all-time high at the moment. I am so lucky to have such a great staff and amazing students and community. Let's keep it up!!

Our P&C Meeting this afternoon we will be discussing the introduction of a school cap. We have had these in the past however we are exploring a new one for sporting teams and older students in particular.

We will also publish, in the next two weeks, a summary of the support the school and community groups will provide to students selected or attending sporting and extra-curricular activities related to the school routine.

Have a wonderful week!
