Class structures for next year

As I have been outlining over the last few weeks we will have a number of extra staff working in a range of roles across the school next year.

The allocation of class teachers will be finalised this week.

As I mentioned last week these arrangements will allow us to keep class sizes small and provide even more emphasis on the programs that we know are working.

iKi LIVE concert

Today will be a busy day. Along with the Year 6 Farewell in the evening we will be hosting two iKi LIVE concerts in the COLA during the day.

The concerts will showcase the iKi Fitness program that the school is integrating across classrooms along with the musical talent of both staff and students.

School Uniforms

Thanks very much to Wellington TAFE who have trained a number of our parents in the sewing of girls summer school uniforms. The first of these are now available for sale for \$40.

Our sports shirts are selling well from the front office. They are available for \$20.

A new stock of school caps are also now available from the canteen.

I have been advertising the wrong price for hats!

The caps are only \$10 which is great value and with the weather warming up are a great way to beat the summer heat. Be sure to get one before the end of term or get in early for next year!

Christmas Raffle

The major prize for our Christmas Raffle this year will be a Nintendo Wii package.

Second prize is a family pass to the caves and third prize is a \$50 voucher to the bistro at the Services Club. My thanks to Council and the Club for their sponsorship this year.

More tickets are available at the office and will be drawn at our Christmas Concert.

The concert will be held on Tuesday 15th December from 6pm after the Presentation Day festivities.

Dates for your Diary
