REMEMBRANCE DAY

Tuesday 11 November 2014

Remembrance Day is a day of special significance to all Australians, commemorating the loss of Australian lives in all wars, conflicts and peace operations.

Following protocol, our Australian flag was lowered to half-mast at 10:30 am and taken back up to peak height at 11:02 am and remained that way for the rest of the day.

On this day, every year, we remember our armed services who joined allied forces overseas to stand up for the democracy and the peace we believe in and share in Australia.

At the 11th hour on the 11th Day of the 11th Month we remember our fallen, the men and women who died for the continued wellbeing of our country. In our school setting it is important to remember all of the Aboriginal men who fought alongside our troops and were ultimately counted as casualties of the terrible World War One, the war that was to end all wars.

Unfortunately this has not been the case, so on this day it is important that men and women who call Australia home and who have gone off overseas to engage in warfare must be remembered for many have not returned and paid the supreme sacrifice.

At 11:00 am we held a minutes silence for it is important that "We WILL Remember Them" and in remembering we are truly thankful and offer our greatest respect.

Repeated from Last week -

Please Phone to Register Your Intended Attendance

Parents and school community members have now received two separate invitations to come along next Tuesday evening (5:00 pm to 6:00 pm) to share ideas in the construction of our next 3 Year planning cycle. In this our first meeting we want to ask where you think you would like to see the school in the future, how you would like to see the school do things to achieve its dreams - we need your thoughts to share in our collective vision. We would like you to recognise what we do well and what we could do to make further improvements. Everyone who wants to help make a difference has been asked to telephone the school, talk to Alana in the front office and register your intent to attend our public meeting on 13th November.

As of yesterday when I last had a chance to catch up with Alana to see how many were coming, the bad news was that only four people indicated they were coming. Surely this is not a measure of the interest of parents in their children's education.

We not only want a vision clarified for our school, we also need to seek a decision around three strategic areas we want to use to expand everything we do for our students. We need to know the programs that we value and will keep and your feelings about

possible changes to the way we deliver learning programs. This is an opportunity to show your support for our school for the sake of our community's children. Please consider attending this non-threatening experience to have a valued say in the future's possibilities. If you are happy with what we are doing and share a confidence in what is happening that is terrific but if things need to change we need your input and perhaps your opinions if we present any problem solving situations - There is an old adage that says, "It takes a community to educate a child".

Also repeated from last week –

School Development Day

Helpful Visitors

This week we are having two experts in the field of Early Childhood Education coming from within the Department of Education and Communities to assist us in preparing for our Preschools assessment and rating. Monday and Tuesday we have Alison King all the way from Broken Hill and on Friday we have Pam Mezups from Sydney. It is important to be appreciative of Donna Langlands, our preschool teacher, the preschool staff Lyn Downton, Cheryl Stanley, Erin Mohr and Georgette Flick as well as Mr Eather as Assistant Principal and supervisor of Early Stage 1 and Mrs Davis who is our extremely valued Instructional Leader. I must also acknowledge the tireless support given by Teagan Peckham prior to going off to have her baby. Teagan's input was extremely timely and very much appreciated.

News From Miss Donna

Welcome to Week 6.

Last week we celebrated Melbourne Cup day with lots of hats, fascinators and hobby horses.

Due to the up coming assessment and rating we have postponed the enrolment process for 2015. Families have not yet heard if they have been successful in gaining a position. This will be happening in the near future and the process will be complete before the end of term.

Preschool fees are now due. We are asking all parents to pay these fees ASAP to avoid a reminder note. If you cannot remember how much our fees are or how much you owe please do not hesitate to talk to either myself or one of our staff.

Kindergarten transition continues each Friday from 9 to 11am. Please remember to bring your child along to their allocated classroom, if you have forgotten which class they are in the preschool will be able to find out for you.

Please remember to pack a piece of fruit and healthy lunch boxes for your child each day. We need to eating healthy food so we are able to gain the most learning from our time spent at preschool. The best way to do this is to stick to our healthy eating policy.

Have a great week.

Dear Parents, Staff and SRC,

The Department of Education and Communities (DEC) School Uniform guidelines outline that school uniforms should be reviewed approximately every three years. In light of this the P&C would like to form a committee to undertake this review for Wellington Public School.

According DEC Guidelines, the wearing of school uniforms by students will assist school communities in:

- defining an identity for the school within its community
- developing students' sense of belonging to the school community
- providing an opportunity to build school spirit
- enhancing the health and safety of students when involved in school activities
- promoting a sense of inclusiveness, non-discrimination and equal opportunity
- reinforcing the perception of the school as an ordered and safe environment
- increasing the personal safety of students and staff by allowing easier recognition of visitors and potential intruders in the school
- promoting positive community perceptions of public education
- making school clothing more affordable for families by eliminating the risk of peer pressure to wear transiently fashionable and expensive clothes.

To establish this committee, the policy requires representation from Parents, Staff and Students. We would like to have between 8-10 members on this committee with a minimum of 2 members from each of these groups. This committee will be established by the end of this year in order to start the review process in Term 1 2015.

If you are interested, please fill out the below details are return to the school office.

Principal | Mr Denis Anderson

Dear parents/caregivers,

The Life Education Van will be visiting our school next week from 27th October until 6th November. While it is a very exciting and worthwhile component to the PDH curriculum at Wellington Public School, it is not free for students to enter the van.

Once again, a very generous member of the community has heavily subsidised the cost for students at WPS to enter the Life Ed van. For this reason, we ask that children bring in \$5 each to cover the remainder of the cost for the program.

It would be preferable if students could bring in the money before it is their class's turn in the van, otherwise, the payment may be made right up until 6th November. Reminder notices will be sent home for outstanding payments before then.

Thankyou,
Jody Nott.

Class: _____ will be visiting the Life Education Van on _____

I have enclosed \$5 for my child _____ of class _____ to access the Life Education Van. I understand that this money is to cover the remainder of the already subsidised cost of the program.
