## Parent / Community School Planning Meeting

Last Thursday we held our first planning meeting with parents and community members. With staff members who also attended (some as parents) we had about thirty people. Sitting around tables and working in groups, discussions addressed the questions of *What do you like about our School? What would you like to see changed? What would you like to see our school look like in 5 years time?*

After each question we stopped to listen to each table's responses. The information we have gathered is varied, extensive and will be very useful. Many thanks to those interested parents and community members who were able to attend.

## Accreditation and Rating

Next week we expect our Preschool's Accreditation and Rating to occur. The Assessment and Rating cycle provides an important opportunity to

demonstrate how our service delivers quality education and care for young, preschool children.

An authorised officer from the Early Childhood Education and Care Directorate, Western Region, will undertake the assessment visit to our service to discuss practice with staff and sight relevant documentation.

### **Wellington TAFE celebrate NAIDOC Day**

Tomorrow, Wednesday, 19<sup>th</sup> November is the Wellington TAFE celebration of NAIDOC Day. This special event is planned to run at the TAFE between 11:30 am and 2:30 pm. Our preschool students have been invited and they will sing a song they have been learning in Wiradjuri language. This is part of our Ruth Hammond's Language program. Ruth also has a group of primary girl dancers who have also been invited to participate at the TAFE and show their talents.

### **Semester 2 reporting**

Following our class assessment cycle, teachers are now preparing student reports for Semester 2 (Terms 3 and 4). These should be ready to hand to executive supervisors by the end of Week 8,

come to the Principal a week later and then ready to be sent home on Friday, 12<sup>th</sup> December in Week 10.

Please share these reports with your children and give praise where praise is due.

Unless there has been significant ill health issues, also be very proud if semester absences are less than 10. If they are down to 3, 2, 1 or zero this is definitely worth celebrating.

We have expectations of every student. Firstly we want to know that they are trying very hard. Every student can try to do their best. If the effort ratings are showing that your child is trying hard please share your

pleasure.

If their assessment is 'Sound' the performance level is appropriate to the grade expectations.

Where they are below this 'Sound' rating, then you are probably aware that the teacher has made special provision and adjustments for the difficulties they may be experiencing.

If their performance levels are above 'sound' then this is certainly something to be proud of. These are the students for whom teachers have high expectations and this is the key to drive them to further academic success. Teacher comments are nearly always positive and relate to the things students can do and because they have achieved the intended outcomes appropriate to their abilities.

If there are ever negative comments parents should share the concerns that the teacher is trying to convey to you. We need parents to value education and talk-up their reasonable expectations and join the parent-teacher partnership to know that we are playing on the same side and want the best for their child/ren.

### **No Hat – Play In The Shade .....**

Is being actively promoted at school. Please make sure that your child/ren has/have a hat that provides good protection from the sun.

Children are more likely to accept this rule for school if it is discussed and practised at home and in everyday life.

### **The White Ribbon Campaign .....**

Is the world's largest male-led movement to end men's violence against women. It is active in 60 countries and began in Australia in 2003. The White Ribbon

Campaign recognises the positive role men play in preventing violence against women and children. The Campaign is a means for men to speak out against violence against women, and to safely and effectively

challenge the attitudes and behaviours of a minority of men who use or condone violence against women. White Ribbon Day raises awareness about domestic violence in our community. Children and young people who witness domestic violence or who are victims of domestic violence may have their educational attainment significantly impacted. One in three women has experienced physical and/or sexual violence perpetrated by someone known to them. Research indicates that there's increased risk of mental health, behaviour and learning difficulties in children exposed to partner violence. In addition, children exposed to domestic violence are also more likely to perpetrate violence. Domestic violence is the principal cause of homelessness for women and their children.

White Ribbon Day is 25<sup>th</sup> November in 2014. Our school is supporting this significant day – As part of our acknowledgement of White Ribbon Day, Wellington Public School will be discussing issues of bullying and demonstrating ways of having respectful relationships in a short half hour session. All students will be then making a pledge to themselves before blowing up a white balloon and tying the white ribbon to the fence of our school. In addition to this, Stage 2 and Stage 3 will be listening to a presentation from WACHS organised by Cherie Colliss and invited guests.

Our Balloons tied to the perimeter fences will be a spectacular scene that will show our community that we take a stand against domestic violence.

## News From Miss Donna

Welcome to Week 7.

Last week we performed at the Kindergarten assembly. Thank you to all parents who came along to support their children, we had a fantastic time.

Due to the up coming assessment and ratings we have postponed the enrolment process for 2015.

Preschool fees are now due. We are asking all parents to pay these fees ASAP to avoid a reminder note. If you cannot remember how much our fees are or how much you owe please do not hesitate to talk to either myself or one of our staff.

Wednesday this week (19th November) we have been invited to perform at the TAFE Western NAIDOC Day celebrations. This is a wonderful opportunity for our children and we encourage all families to come along to the celebrations to support us. Please remember to fill in your permission slip and hand it in to one of the staff. If you would like to pick your children up from TAFE we will have the sign in book with us during the afternoon.

Please remember to pack a piece of fruit and healthy lunch boxes for your child each day. We have noticed that many of our children are eating their lunch at morning tea time, if you could please pack your child an extra sandwich to ensure they have enough food to satisfy them throughout the day.

Have a great week. **Donna Langlands and Preschool Staff**

# We enjoyed our week at Preschool!!

Miss Lyn is teaching the children 'Red, Black and Yellow' from Aunty Wendy's Mob.

We celebrated Remembrance Day by making poppies with cup cake papers.

Quiet time on the mat outside with cars and trucks was very popular.

The track won't stand up but Jarell is determined to make it work.

Lots of children were having babies, Decklin used his "cutting gun" to cut them out.

Decklin is making a 4 bedroom house for Miss Cheryl and Miss Erin with masking tape.

## Camp Quality

In conjunction with the Young Services Club and the Community of Young we are staging an event called "Walk A Cycle for a Life" where 50 participants will be of combined walkers and cyclist hence the event being called the "Walk & Cycle for Life". Will walk & Cycle from Dubbo to Young via Wellington.

Day one we walk or cycle to Wellington. 2 different routes as the walker won't be able to walk on the Highway. Walk 45km – cycle 105km through Yeoval.

Day Two cycle from Wellington to Cowra via Yeoval 195km or walk from Canowindra to Cowra(back road) 40km.

Day Three walk from Greenthorpe turn off to Young 50km or cycle from Cowra to Young via Greenthorpe 75km

Our goal is to raise \$50,00 for Camp Quality Kids with cancer. Dates are 27<sup>th</sup> November to 29<sup>th</sup> November.

We have about 50 people attending the event, but *if locals from wellington wish to join either the walkers or cyclists coming into Wellington on the 27<sup>th</sup> they are more than welcome. The Walkers will enter Wellington from Bushrangers Road and the Cyclist will come in from the Yeoval Road at approximate 1.30pm on the Thursday 27<sup>th</sup> November.*

*We will be attending the Wellington Soldiers Club around 5.30pm on the Thursday to hold a Fundraising Raffle for Camp Quality. We would look at selling tickets at say 6pm and draw at 7.30pm and we would love nothing more than to have people from your school to be involved in the night. As we are from Young we will have some boxes of Cherries to raffle along with other goodies on the night.*

*Our goal is to raise \$50,00 for Camp Quality which hopefully achieves changing a child's life.*

Dear Parents, Staff and SRC,

The Department of Education and Communities (DEC) School Uniform guidelines outline that school uniforms should be reviewed approximately every three years. In light of this the P&C would like to form a committee to undertake this review for Wellington Public School.

According DEC Guidelines, the wearing of school uniforms by students will assist school communities in:

- defining an identity for the school within its community
- developing students' sense of belonging to the school community
- providing an opportunity to build school spirit
- enhancing the health and safety of students when involved in school activities
- promoting a sense of inclusiveness, non-discrimination and equal opportunity
- reinforcing the perception of the school as an ordered and safe environment
- increasing the personal safety of students and staff by allowing easier recognition of visitors and potential intruders in the school
- promoting positive community perceptions of public education
- making school clothing more affordable for families by eliminating the risk of peer pressure to wear transiently fashionable and expensive clothes.

To establish this committee, the policy requires representation from Parents, Staff and Students. We would like to have between 8-10 members on this committee with a minimum of 2 members from each of these groups. This committee will be established by the end of this year in order to start the review process in Term 1 2015.

If you are interested, please fill out the below details are return to the school office.

With Thanks
