## Principal's Message

### Presentation 2018

What a great way to wind up the year with an excellent Presentation Ceremony yesterday. My thanks go to all the staff for their organisation and to the students and families for excellent support on the day.

A highlight was definitely our Queen tribute to Miss Chick. There is no doubt Chick will always be remembered at our school. I would like to formally thank for the many years of guidance she has provided to staff and students in developing a love for music across the Wellington Community.

### Starting Classes

From feedback I have received our decision to announce 'Starting Classes' on Monday was

a positive step. Although this means that changes may still occur students will now know their class and teacher in advance before they return next year.

### Year 6 Farewell

The Year 6 Farewell was a great night. It was amazing to see so many families and friends there to support the students. It was an excellent way to celebrate the Graduation of our students and acknowledge their many contributions to our school over their time with us.

### Carols Night & Raffle

Congratulations to all our winners of the Christmas raffle. All of our students were in great voice.

Thanks to our talented

staff for the dance routine. See it again via the P&C Facebook page!!

### Go Callee!!

Best wishes to Callee Black who is playing in the final of the Australian School Sport cricket championships today.

### Christmas wishes

My best wishes go to everyone for a restful Christmas with friends and family. Have a great New Year and we look forward to students returning from Wednesday 30<sup>th</sup> January 2019.

Please consult our Facebook page for all return information.

Regards,

Darryl Thompson
