

Principal's Message

What a great win for our cricket girls bringing home the Lords Taverners Shield for another year. My massive thanks go to Miss J and our loyal band of parents who made it all possible.

I need to confirm some staffing changes for next year. Over the last few weeks Mr Eather has been appointed as Deputy Principal at Dubbo PS. It is a great opportunity for Brent who has been a backbone of the school and a valued colleague for many years.

Mrs McCreadie in the last week has been advised that she will be Principal of the Yawarra Community School in Dubbo. This is a brand new special education facility and Deb is going to be the perfect person to get this new school up and running. I thank her so much for her contribution to WPS.

As a part of our planning for 2019 we have made a decision to announce 'Starting Classes' during the last week of Term. Although this means that changes may still occur students will know their class and teacher in advance before they return next year.

All is ready for our Year 6 Farewell tonight. As always

this will be an excellent way for us to celebrate the Graduation of our students and acknowledge their many contributions to our school over their time with us.

Planning is well underway for the carols night and the Christmas raffle. This year the major prize will be an outdoor cinema. Can I continue my request from last week that if you know of any businesses who would like to donate major prizes for the raffle please ask them to contact me.

Have a great week at WPS,
Darryl Thompson
