

WELLINGTON PUBLIC SCHOOL

Where every child is known, valued and cared for.

WHISPER MONDAY 4 NOVEMBER 2019

FROM THE PRINCIPAL'S DESK

How good is it to see some rain?

Year 6 had a great visit to the High School on Thursday. I saw them enjoy making a Christmas card that had a light in it, a fun Maths lesson and getting to know both the staff and students from other schools for 2020.

Our zoo trips have come to an end. Enormous thanks go to our local Rotary Club and Northbridge Rotary in Sydney for their support of our rural location affected by drought. We are very grateful for this gesture.

Best wishes to the Girls' Cricket side who travel the Wagga for the next round of competition this week.

Our Kindergarten numbers continue to look strong. Can I encourage all families to promote our school to families who may have children ready to commence Kinder next year? The more the merrier! Transition continues on Wednesday.

On Friday the nomination process for School Captains 2020 commences. This will be followed by speeches on the 19th November. Best wishes to all our prospective leaders.

Have a great Week!

Principal | Mr Darryl Thompson

Ready, Set, Kinder!

PRESCHOOL TO KINDERGARTEN -- 2020 TRANSITION PROGRAM

Wellington Public School will be offering a seven week Preschool to Kindergarten Transition Program this year. The program will run on Wednesday 9 -11am from 23rd October, 2019 (Term 4 Week 2) until 4th December, 2019 (Term 4 Week 8).

This program is designed to achieve a number of goals. These include:

- Preparing children for the commencement of primary school.
- Placing children in the structured learning environment of a Kindergarten classroom, allowing the children to gain familiarity with their surrounds and feel more comfortable in a new classroom.
- Build on experiences gained at preschool, day care or at home to ensure that fundamental concepts are familiar prior to the commencement of formal schooling in 2020.
- Give our teachers the opportunity to get to know our 2020 Kindergarten children.

We encourage all children who are attending Kindergarten in 2020 to take advantage of this experience.

Attached is an expression of interest and permission form for the Kindergarten 2019-2020 Transition Program.

Please fill it in and return to either your child's preschool or Wellington Public School office. This expression of interest will form the basis of our planning for the transition program. Once these forms are collated we will contact you with an outline for the commencement of the Kindergarten Transition Program.

Please do not hesitate to contact the school for more information regarding this program and enrolment for 2020.

Kind Regards

Mrs Kathryn Hardwick
