

WELLINGTON PUBLIC SCHOOL

Where every child is known, valued and cared for.

MONDAY 29TH JUNE 2020

FROM THE PRINCIPAL'S DESK 2020

Our push up challenge efforts continue to be amazing in support of mental health awareness. If you haven't seen these on our Facebook page please take a look!

Staff will continue to attend the gates as we need to ensure that social distancing measures continue. It is great to see parents and carers supporting staff and ensuring this model of operation runs smoothly.

Our Family and Friends meetings continue to progress well. All reports will be ready for distribution in the first week of next Term.

Buzzies will be handed out by the school leaders this week.

Please keep supporting our attendance procedures so that any absence is acknowledged and needs to be justified with a note, a call to the school, or supported by a medical certificate.

Our new week for Canberra has been locked in. Please access any special arrangements around payment for the trips as we want to ensure that as many students as possible get to attend. Can I assure you that no one will be out of pocket in this respect.

I will continue to reinforce, especially with the onset of cooler weather, that if you have continuing concerns as to the impact of the virus on your child's health I would appreciate that you contact me as under the current Phase 3 of return it is compulsory for them to attend school. We will be constantly outreaching to the community and I encourage you to ask for any support that assists with this transition back to school.

Please ensure that your child's name is on all clothing as there are a lot of jackets etc being left behind. Names make them easier to return.

Have a great week and enjoy the Winter vacation! Students return to school on Tuesday 21st July.
Cheers,

DARRYL THOMPSON

STUDENT OF THE WEEK

WELLINGTON PUBLIC SCHOOL

Student of the Week!

Sohayla Kent

1L

Sohayla is known to her teachers and friends for being friendly and for always doing the right thing.

Sohayla loves to learn how to be a better writer with Mrs Langlands. She also loves computer time and lunchtime to play with her friends.

Sohayla wants to be a doctor when she is older so that she can help people.

Sohayla's favourite animal is an anteater because it eats up all of the ants.

Sohayla's highlight is always seeing her baby brother because he is cute and he makes her smile.

SCHOOL NEWS

Boys Shed

Vigorous walks around Mount Arthur, garden renovations and raking sand bunkers on the golf course have been some of the activities our Boys Shed have completed this term.

Our aim each week is to build the self - esteem of each child, inject a sense of school pride and model what it looks like to be Safe and Respectful. Mr Bullock.
