

WELLINGTON PUBLIC SCHOOL

Where every child is known, valued and cared for.

MONDAY 30TH NOVEMBER 2020

FROM THE PRINCIPAL'S DESK 2020

Please be mindful of the extreme weather conditions predicted for this week. Plenty of water and hats will be a must.

The hot weather is well timed considering Intensive Swimming starts this week. Thank you for supporting this important program.

Our School Leader speeches take place today. Best wishes to all of these students as we vote to put together our leadership team.

Thank you so much for your patience with our excursion organisation. The feedback from staff and students regarding all of the trips has been amazing. They have produced one of my highlights for the year. On Friday I had a call from the manager of the Gulgong Pioneers Museum. She took time out of her busy day to let me know that the students from Wellington Public School who visited the museum were amongst the best behaved and most interested student to visit them EVER! What a great compliment. I already know that but it is so pleasing when we hear it back from the community.

Our before and After school care site continue to take shape rapidly. With the piers in place the building will be arriving, all going well, this Friday.

Reports will be finalised this week ready for distribution next week. It is pleasing to read of the progress that has occurred across the school during a difficult year.

Have a great week!

DARRYL THOMPSON

STUDENT OF THE WEEK

WELLINGTON PUBLIC SCHOOL

STUDENT OF THE WEEK

Charlie Cullen

Charlie is a very kind and generous student who thinks about other people before himself. His favourite thing to do at Preschool is play games with Frankie.

If Charlie was Prime Minister he would catch all of the bad people and that would keep everyone safe. His favourite animal is a dog because you can play fetch with them.

Charlie loves playing and watching TV with his family. When Charlie grows up he would like to be a fireman. He would love to go on an aeroplane to America.

Be You Term 4 Class Chat 5

Here is the last edition of our class chat responses.

DO THE STUDENTS AT WPS KNOW THAT WE ARE HERE FOR THEM
AND THEIR FAMILIES?

We enjoy sharing these wonderful comments by our students.

Question 1

Do you think that WPS staff would help you and your family if you needed support?

- Yes the school has helped me with my sport and excursions by giving us a payment system.
- We have breakfast club and they visit families to see if they need help.
- When we were learning at home they called to see if we were all ok and if we needed any help.
- When I didn't take my lunch, my teacher organized some for me.

Question 2

What ways do you think that WPS staff could help your family more?

- Have more information for parents about how school works.
- Have lockers at school for students.
- Have a bus that wakes up and collects students for school.
- We could have parents do jobs around the school to help pay for an excursion.

Friday Freebie

We are days away from December and all the children are thinking about Christmas time!

With 2020 being such a difficult year for everyone, we wanted to enhance the kindness this Christmas!

We have created a free resource to help sprinkle a little more kindness each day! Introducing the Head and Heart Mindfulness [Kindmas Calendar - 25 Acts of Kindness](#).

You are encouraged to share our Kindness Calendar with your family and friends. Take the time to notice how you feel actively practicing kindness everyday!

All you need to do is, download our Kindmas Calendar, print it out, stick it on the fridge and cross off the acts of kindness you complete each day!

May your December be merry, joyful and KIND!
