

Our attendance is unBEElievable

WELLINGTON PUBLIC SCHOOL

Where every child is known, valued and cared for.

TUESDAY 23RD FEBRUARY 2021

FROM THE PRINCIPAL'S DESK 2021

Middle of the term already, the year is flying by! WPS has a good feel about it at the moment, students and staff are back into school routine and everyone is smiling.

Next week is 'pause week' where we concentrate on maintaining good mental health, we will have some yoga, a 'smile' themed photo competition, music at recess and lunch, meditation, just dance and dress to make someone smile day (casual clothes next Thursday).

WPS is having a focus on attendance. We strongly encourage all students to come to school every day. We understand students can be ill, but they need to bring a note in to explain their absence. Every day off adds up. If students have only 1 day off a fortnight that adds up to 4 weeks per year, that's a lot of lost learning opportunities.

Every week the Year with the highest attendance rate will get their grade highlighted on our attendance board (thankyou Simone and Trent) and get a special treat. Congratulations to Year 1 who were the best attenders last week. They got to spend their recess with Mrs Eather playing on the equipment.

All students who attend a full week and those who brought a note in for when they were away get their name on a blue attendance buzzie. At our Monday morning assembly, a name is picked out and they get a prize from Mr Thompson and their 'face' on the attendance board. Well done to Breeyah Amatto and Dominic O'Brien who have been our attendance winners so far this year.

Sport has started again this year, good luck to all those students attending District trials and competing in the PSSA knockouts in the coming weeks.

Have a good week.
