

Wellington Public School

Where every child is known, valued and cared for.

Thursday 7th April, 2022

FROM THE PRINCIPAL'S DESK

Well, we have made it to the end of Term One.

Please take time to enjoy your time with family over the Easter Break.

My congratulations go to Ronnie Tandy-Bell who swam so well at State that he has qualified for nationals in Brisbane. What an amazing achievement. Well Done Ronnie!

Once again thanks for your patience with the photo day. A catch-up day has been organised for Thursday 28th April in the first week back next Term.

It will be a busy first week.

Monday is Anzac Day, so I ask that students gather in Market Square ready to join the march. Please stay tuned to our Facebook for any updates.

Tuesday is a School Development Day, so students do not return until Wednesday 27th April.

Our BASC will open next Term as well! Please remember to secure a spot for your children and take advantage of the Before and After School vouchers that are now available. It is easy to apply you just enter your details on the Service NSW app and apply at Wellington Public School (not the Preschool!). If you have any questions, please contact the school.

All things COVID are changing rapidly at the moment. Please take care over the holidays to follow the usual protocols.

We are still managing COVID cases in the community. To those isolating please continue to take care and we look forward to you returning after the break.

If you receive a positive test, please contact NSW Health and the school.

Take care and stay safe and enjoy the holidays.

Darryl Thompson

Student of the week

WELLINGTON PUBLIC SCHOOL

Student of the Week!

Piper Drury

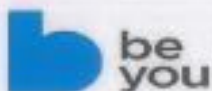

Piper has always been a wonderful role model at WPS. She is incredibly kind, thoughtful and loves to try her best at everything.

Piper's favourite subject at WPS is Art because it is really creative.

Piper would like to be either a lawyer or an astrologist when she is older.

If Piper could be granted one wish, she would wish that she could get a pet snake.

Piper says that the best thing about her friends is that they care about her. She loves spending time with Billie out at the dam.
