

Wellington Public School

Where every child is known, valued and cared for.

Tuesday 24th May 2022

FROM THE PRINCIPAL'S DESK

NAPLAN Testing went well and results will be available soon.

The annual Athletics Carnival was won by Oxley. All place ribbons will be handed out in class. These are for the times achieved not necessarily the place finished in a race.

Our softball girls were runners up in the Western Final. What a great result. Good luck to our District Cross Country runners tomorrow.

Our BASC is now open! Please remember to secure a spot for your children and take advantage of the **Before and After School vouchers that are now available**. It is easy to apply you just enter your details on the Service NSW app and apply at Wellington Public School (not the Preschool!). If you have any questions, please contact the school.

Can I stress that a large number of families may get up to an 80% subsidy from the government as a part of the CCS program for Before and After School Care. This is important to explore as the vouchers can run out quickly. Please be sure to ask our staff how to apply for CCS support.

Places are also now available for our Vacation Care program. Please contact the BASC to enrol.

All things COVID are still in place. Some changes have taken place for close contacts. We are still managing COVID cases in the community. To those isolating please continue to take care and we look forward to you returning. Will still have rapid tests if you need them. Just ask at the office. If you receive a positive test, please contact NSW Health and the school.
