

Wellington Public School

Where every child is known, valued and cared for.

Tuesday 14th June 2022

FROM THE PRINCIPAL'S DESK

More cold weather this week.

Stage Three are continuing to do a great job with their Push Up challenge. Please support their fundraising efforts. We are all guessing lollies in a jar this week.

As we reset for the next origin our sports teams have been giving it their best go. Soccer, hockey, netball, and cross country have all taken place this week. Girls Touch is on next week!

I am reading over as many reports as I can so you will see these home soon. It is so much fun seeing the student comments on their own progress. Parent meetings will follow.

Our BASC is now open! Please remember to secure a spot for your children and take advantage of the **Before and After School vouchers that are now available**. It is easy to apply you just enter your details on the Service NSW app and apply at Wellington Public School (not the Preschool!). If you have any questions, please contact the school.

Can I stress that a large number of families may get up to an 80% subsidy from the government as a part of the CCS program for Before and After School Care. This is important to explore as the vouchers can run out quickly. Please be sure to ask our staff how to apply for CCS support.

Places are also now available for our Vacation Care program. Please contact the BASC to enrol.

Flu symptoms are still around. Please keep children at home if they are unwell.

All things COVID are still in place. Some changes have taken place for close contacts. We are still managing COVID cases in the community. To those isolating please continue to take care and we look forward to you returning. Will still have rapid tests if you need them. Just ask at the office. If you receive a positive test, please contact NSW Health and the school.

Stay warm and please remember to put your child's name on any winter clothing.
