Where every child is known, valued and cared for.

Tuesday 7th February 2023

## FROM THE PRINCIPAL'S DESK

**I would like to welcome everyone back for the new school year. For me it is great to be back, and I would like to thank 'the team' for doing such a great job while I was at the High School. Mrs Eather and our wonderful staff have set us up for an amazing 2023. We are also so lucky to have such great staff and students at Wellington Primary.**

**Thank you for your support in the smooth transition into new classes and routines. Most of our programs and structures, along with staffing remain the same.**

**It is exciting that we have 70 kinder students this year.**

**We welcome Ms Sophie Stinson who is teaching one of these classes.**

**All Kinder students have begun the Best Start process. This will give us a great picture of where our newest students are in their learning journey and where we need to take them. It was great to see so many families at the welcome meeting.**

**Please ensure that all new forms are returned to the office promptly. Be sure to update any changes to contact details where necessary.**

**Our first major event is our swimming carnival on Friday 17th February. It would be great to see as many families there as possible. The Souths Cares program from the Rabbitohs will be visiting the younger children on the same day before their Charity Shield game in Mudgee.**

**Be sure to enjoy the new term, feel free to ask any questions, and I look forward to speaking with you soon!**
