FROM THE PRINCIPAL'S DESK

Term 1 is almost complete!

What a way to finish the week with our Easter raffle and Hat Parade on Friday. Be sure to get in early for your tickets.

Thanks to all our families for supporting the great attendance numbers across the school. This has been the best term for attendance in recent history for our school.

As mentioned last week we have finalised our policy for funding excursions and other activities.

An activity up to \$100 per student, the school will cover 25% of the total cost. How to apply - Parents contact the school to request funding with reasoning to support the application. School will meet these costs. If demand is high (more than 20 students per activity) the school may approach the P&C for additional support.

An activity up to \$100 to \$500 per student, the school will cover 50% of the total cost. How to apply - Parents contact the school to request funding with reasoning to support the application. P&C will support students. If demand is high (more than 20 students per activity) the school may work with the P&C for the additional support.

More than \$500 per student, 50% of total cost. May be supported by:

- Special item for sale at the canteen – money raised to go towards subsidising the group cost
- Class to explore fundraising activities such as a zooper dooper stall
- Hosting a social with a gold coin donation as entry

How to apply - Parents contact the school to request funding with reasoning to support the application. P&C will support the activity. If demand is high (class, stage or school activities) the school will work with the P&C to support the activity.

This week we said goodbye to our Director Educational Leadership, Daniel Hurd, who has been appointed to a new role in Sydney. Before leaving he acknowledged the outstanding academic and attendance results that we are achieving as one of the top 50 NSW 'Schools Making a Difference'. A Certificate of Excellence was a big surprise. We wish him well in his new role.

As ANZAC Day falls on the last Friday of the holidays I am looking forward to as many students as possible meeting at Market Square by 10.20am ready to march. We will meet families at Cameron Park after the ceremony.

Please remember that ALL students return for Term 2 on Wednesday 30th April. The first two days of term will see staff preparing for the rest of the year and learning about a new High Potential and Gifted Education Policy.

Have a great break!

Kaidance Hendra

Meet our Student of the Week

Kaidance's highlight for 2025 is going to play AFL in Dubbo with her friends. She is most proud of the fact that she is a great friend to everyone.

Kaidance's favourite place is the classroom because she has her friends and Mr Bullock. One of her great talents is being able to make people happy when they are sad and also being kind, caring and fun.

If Kaidance was School Principal, she would let students wear casual clothes and bring their pets to school.

The most difficult things that Kaidance has ever done was overcoming her fear of heights at the Bushcamp excursion and overcoming her fear of public speaking in her captain's speech. She is so proud of herself for not giving up.

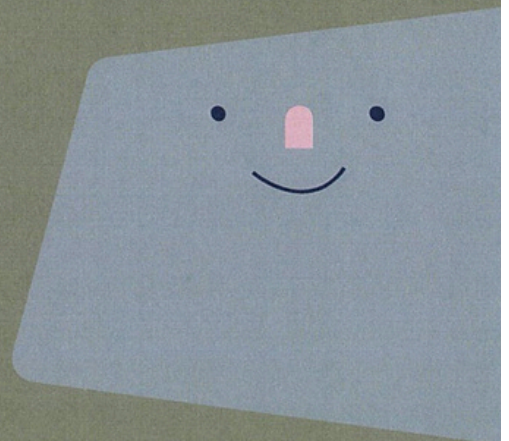

Kaidance's role models are her Mum and her Nan. They are both kind and caring. She would like to be a children's doctor when she is older because she likes to help people.
