

Wellington Public School

Where every child is known, valued and cared for.

Friday 4th July 2025

FROM THE PRINCIPAL'S DESK

Well, we have made it to the end of a busy Term! Thank you so much to our wonderful community, staff and students for your support.

The WPS News Team have just released Episode Three so be sure to check it out, please find it on our FB page.

Congratulations to the Wellington Eisteddfod Committee. Your time, effort and energy has resulted in a very successful community event. Our students all enjoyed their time starring on stage and performing in front of family and friends. The creative arts were a winner on these days.

Our great attendance numbers continue across the school. This Term started like the last one! It has been great to see the boys out attending the girls in a number of weeks and our Stage 3 students making a run for the best Year group toward the end. Our numbers remain at or around 90% which during the winter months is amazing.

On the sporting field our teams have continued to shine. Trips all over the local area have seen our teams perform very well. All students have represented the school well in both team and individual sports. I have had the pleasure of driving students to some of their games and the behaviour on all trips has been excellent.

We are getting lots of positive feedback from all of the support programs across the school.

Follow up on speech, hearing and wellbeing activities is making its way back to families.

Please contact the school if you have any concerns in this respect.

Thanks for attending our parent and friends evening to discuss report feedback. We are getting better at using Sentral to produce our reports, so I hope they arrived OK in an electronic format. Any feedback is most welcome.

Day One next term, the 21st July is a School Development Day. Children return to school on Tuesday 22nd July.

Thank you again for being an amazing school community and have a great break!

STUDENT OF THE WEEK

Eleanor's special talents are her creativity and skills in Art and Literacy.

Her kindness is what makes her an awesome friend.

If Eleanor could be Principal she would have a Pyjama Day!

ELEANOR REID

Eleanor's highlight this year has been Wellbeing Week. She is most proud of all of the friends that she has made here at WPS.

If she could invent her own holiday, it would be to visit every country in the world.
