FROM THE PRINCIPAL'S DESK

Sorry for my tardiness in getting a Whisper out over the past two weeks!

How good are the WPS News Team, and with the quality of their work, they are going to do me out of a job in describing the great achievements of our school. If you have not seen their first bulletin, please find it on our FB page.

Well done on our Preschool exhibit and Kitchen Garden ribbons at the show. A lot of work went into these to showcase the wonderful programs that we have at WPS.

Our great attendance numbers continue across the school. This Term has started like last one! It has been great to see the boys out attending the girls in recent weeks. Our numbers remain at or around 90%.

Two weeks ago, Mrs Keeffe, Mrs Klein and I attended the Food Ladder Futures Summit. All the hard work that our Kitchen Garden has been putting in was rewarded with an award. The trophy is a mini greenhouse. This was for how well we integrate the garden into everything that we do.

Unfortunately, the weather has not been kind to our Athletics Carnival, but all going well it will be completed this week. Lots of sporting teams are also travelling the local area for competitions. Good luck to everyone!

This week we have had a team from Royal Far West visiting the school. They have selected five of our students to support over the next two Terms. They will be working with us until the end of 2026, so a number of other students will get their support in this time.

Next week a team from Life Skills Go will visit the school to support us in looking at the wellbeing structures that we have in place and give us some ideas to improved them even further.

Thank you for being an amazing school community and have a great week!

KAITLYN ROBBINS

Kaitlyn is our STUDENT OF THE WEEK!

Kaitlyn's highlight of the year so far has been Sporting Schools. Her favourite place at WPS is the Library and her special talent is drawing. Kaitlyn is a good friend because she helps other people and she loves that Wellington has a pool and a big park.

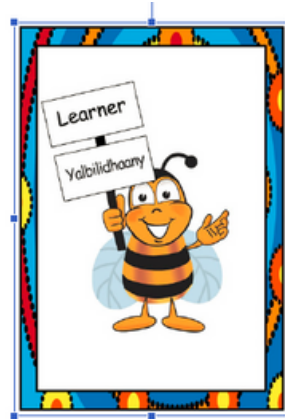

Kaitlyn would like to be like her cousin Skye when she is older because she is very athletic and kind. Kaitlyn believes that to be a good learner you have to listen, put your hand up and try your best.

125th Anniversary Writing Awards

In the year 1900, newspapers were the main form of public communication, Henry Lawson and Banjo Paterson were making their names as famous bush authors, and Australia's first print media organisation was founded.

For 125 years, the member newspapers of Country Press NSW Inc. have told the stories of the people of regional New South Wales.

Now it is your chance to be a modern-day Lawson or Paterson, by entering this State-wide commemorative challenge for creative writing ... and maybe even see your story published in the pages of your local newspaper!
